

2023 Women's 9-Holers League @ Silvermine GC

'Fun, Friendly, Fast'

Women who are seeking an easy-going game find the 9-Holers league to be a great opportunity to build their golf skills and confidence on the course. Weekly Tuesday morning play is an opportune time to meet other women golfers, find new partners and make new friends. The 9-Pro Shop course assures a quick round; and lunch on the Clubhouse terrace is always fun!!

Details:

- We play on Tuesdays from April to mid-October; 9:00 a.m. shotgun start.
- Sign up on the *Fore Tees* app by Monday evening for Tuesday play. There's no obligation to play every week.
- It's not necessary to have an established handicap, but we do recommend that you've played before and that you have a basic knowledge of golf etiquette and rules.

Come try us out one Tuesday and only pay to register if you continue.
