Frequently Asked Questions

What is a “junior golfer?”

A “junior golfer” is any boy or girl under the age of 17 whose parents are members of Silvermine.

When are my kids allowed to play on the course alone?

Once certified by a member of the PGA Professional Staff, junior golfers are permitted to play alone on the Pro Shop 9 and the Main 18.

When am I allowed to play on the course with my kids?

Parents may bring their children to play on the Pro Shop 9 at any time. You may also bring your children to play on the Main 18 during the week and after 1:00pm on the weekends.

When is my child permitted to use the driving range?

Children under the age of 11 must be accompanied by a parent on the range at all times. Junior golfers who are 12 or older are permitted to use the range unaccompanied by an adult. Junior golfers must yield to adults during busy times, unless otherwise advised.

How do I sign up my children for clinics and events?

The best way to register for events is through Foretees in the Event Sign Up Tab . You can also call the pro shop: 203-846-2552. Information regarding upcoming junior events will be included in the weekly club email.

What if my child can not attend every session in a junior program?

All of the Junior Golf Programs at Silvermine are structured in a way that allow for limited participation. All programs fees will be pro-rated based off of the total number of sessions attended vs the overall number of sessions any particular program offers. All program fees will be charged to the member account once the clinic/program has been completed.
